

DentistLink

Connecting everyone with
dental care

*We have friendly
folks ready to
connect you with
dental care.*

DentistLink is a free service that can connect you to a dentist in your community. Call us if you are uninsured or have insurance, including Apple Health. We can help you find the dental care you need to stay healthy.

Call or Text 844.888.5465

Referral Specialists are available Mon through Fri, 8am-5pm.
We can assist with transportation, childcare and translation.

Online DentistLink.org Search online anytime for a dentist.

**The health of your mouth affects your overall health.
Regular dental checkups help keep you healthy.**
